

Baldwin City Pool Parking

Pool Patrons: We know that parking around the pool is limited and we are working to remedy the situation. To improve communication regarding your parking options, the map above indicates the current parking zones. The green zones allow for head-in parking to the north and south of the pool. The blue zones allow for parallel parking along 3rd and Fremont Streets. The red zones are no parking zones. Please be advised that if your car is parked in a no parking zone, you may receive a parking ticket.
