on the Citywide map!

Can we get your full name?

This is in case we need to contact you regarding our listing. We will not publish this information.

Phone number?

Again, this is only for us.

Do you live within 5 miles of Baldwin City?

We need to keep this pretty local.

What's the address you want listed on the map?

Now describe your yard sale.

List general categories of items or specific items but keep your description short - under 25 words please. (Example: baby items and toys, double stroller, Yamaha guitar, piano sheet music, small appliances and lots of kitchen misc.)

Do you have an email address where we can reach you before the sale?

**Digital & print maps will be available at the
Library, City Hall, and in the Maple Weekly.**
